# HOME ENTERTAINMENT SUMMER SALE

**CISCO FLIP ULTRA 3RD GEN 8GB IN BLACK OR WHITE - 120MIN RECORD!**

With the all-new Flip UltraHD, it's even easier to record incredible HD video and share it with the world.

**NOW WITH IMAGE STABILISATION:** UltraHD allows you to capture incredibly clear and steady HD video. UltraHD features up to 2 hours of record time, so you'll never have to miss another minute.

**SLEEK, POCKET-SIZED DESIGN:** Super-sleek UltraHD features a matte front and soft, rounded edges. Its pocket-sized design means you can take your UltraHD with you everywhere you go.

**STUNNING HD VIDEO:** UltraHD delivers incredible HD video, even in low-light situations. Capture up to 2 hours of video that will look crisp and vibrant on your HDTV. Plus, premier AAC audio means your videos will sound clearer than ever, too.

**EASY TO USE:** Power on, press record and start capturing high-quality HD video within seconds. It's really that simple. When you're ready to share your video, Flip out the signature USB arm and connect UltraHD to your PC or Mac to launch pre-loaded FlipShare software.

**EASY TO SHARE:** UltraHD comes pre-loaded with FlipShare software, which makes it easy to organise, create and share your videos:

## BRILLIANT HD VIDEO CAPABILITY!

- Edit and trim your favourite video clips or even add your own music, all using FlipShare's easy editing tools
- Create video greeting cards or use the magic movie feature to make movies with the click of a button
- Capture still image photos from any of the 50 video frames per second using the easy Snapshot feature
- Share privately using FlipShare's attachment-free email
- Post online by sharing directly to Facebook, Twitter and YouTube
- Organise videos by drag and drop into folders, or use the automatic date-stamped folders

# AN AMAZING SUITE OF TOP SPECIFICATION eREADERS FROM SONY® ... ALL AVAILABLE IN MULTIPLE COLOURS

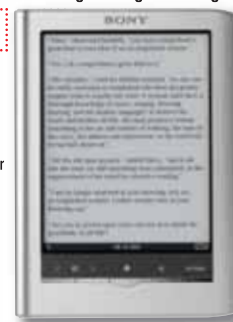

- **CARRY 100'S OF BOOKS WHEREVER YOU GO** Carry hundreds of eBooks at a time! The reader is lighter than a typical paperback and you can easily store hundreds of titles in your bag or pocket to take with you wherever you go.
- **READ AT ANY ANGLE, AND IN SUNLIGHT** The highly advanced screen technology provides five adjustable font sizes to improve readability. The E Ink® Vizplex™ display gives a natural paper-like reading experience. With no backlight or flicker, you can read for hours in direct sunlight and at virtually any angle.
- **INTUITIVE, EASY TO USE CONTROLS** Lost your page? Reader can help you find the page you were last reading, and call up stored novels by author, title and date. The intuitive and easy to use controls let you magnify text, scroll smoothly down and read page-by-page or fast forward right to the end.
- **READ 1000'S OF PAGES ON ONE CHARGE** You won't worry about reaching the end of the book with the great battery life on Reader. It gives you thousands of continuous page turns from a single charge — enough to last for up to two weeks of reading!
